

DRIPS MENU

Myers' Cocktail Drip.\$175

This is the O.G. vitamin drip developed by Baltimore physician, Dr. John Myers, M.D. Originally formulated to address chronic diseases such as migraines, fatigue and fibromyalgia. Today, the Myers Drip is used to enhance wellness and ease everything from low energy to headaches and aids in speeding up recovery. There's a reason the first vitamin IV Drip ever developed is still in use today!

--- INGREDIENTS ---

Fluids | Vitamin C | B-Complex | Hydroxo B-12 | Electrolytes

Immunity Drip\$125

Our Immunity Drip supports your immune system. It includes a combination of Vitamin C, Vitamin B Complex, and Zinc to help combat illnesses and improve sinus pressure. Vitamin C, Vitamin B complex, and Zinc are powerful nutrients that strengthen your immune system and reduce inflammation. This drip is perfect to fight viruses, bacteria, and seasonal allergies.

--- INGREDIENTS ---

Fluids | Electrolytes | Vitamin C | Vitamin B Complex| Zinc

Immunity Plus Drip\$175

Our Immunity Plus Drip delivers the same immune-boosting benefits as our Immunity Drip, with added antioxidants that support cellular health and help build a stronger foundation for overall wellness and immune health.

--- INGREDIENTS ---

Fluids | Electrolytes | Vitamin C | Vitamin B Complex x 2
Zinc x 2 | Glutathione | Mineral Blend

BOOSTERS PRICING :

\$25 – 1 BOOSTER | \$65 – 3 BOOSTERS
\$40 – 2 BOOSTERS | \$80 – 4 BOOSTERS

VITAMIN C	Antioxidant, strengthens immune system, antiviral, helps with fatigue and overcoming common illnesses.
GLUTATHIONE	Powerful antioxidant. Protects health by detoxing and cleansing the liver. Boosts the immune system, reduces toxins, reduces inflammation, and synthesizes collagen.
L-CARNITINE	Amino Acid. Helps turn fatty acids into natural energy. Encourages healthy weight management, mental clarity. Improves fatigue, cardiovascular health, and athletic performance.
ZINC	Fortifies immune system, prevents illness, helps with wound healing and collagen formation. Reduces sinus inflammation and allergies.
BIOTIN	Biotin, also known as B7, is a water-soluble vitamin found in foods such as eggs, milk and bananas. This vitamin is important for overall health, and plays a role in cell growth, carbohydrate metabolism and fatty acid synthesis.
